March 2017 Contact with Julie Blanchard at Everards Brewery

Thank you for your email – unfortunately our information is quite limited:

- 1] Unfortunately we do not have copies of the building deeds showing the history of the original house called The Firs and Land
- 2] Everards bought the house in 1949 and traded as The Firs from 1959 having demolished the house and built the pub. Everards sold the land for building on 9 January 2004 to Westbury Homes.
- 3] Pictures of pub – see attached

I hope this helps with your search

With regards
